4.2 REFERENCES

Vendors should provide a minimum of three (3) references from similar projects performed for private state and/or large local government clients within the last three years. Vendors are required to submit Attachment C, Reference Form to the business references they list. The business references must submit the Reference Form directly to the Nevada Commission on Economic Development's designee. It is the vendor's responsibility to ensure that the completed forms are received by the Nevada Commission on Economic Development on or before the proposal submission deadline for inclusion in the evaluation process. Business References that are not received, or are not complete, may adversely affect the vendor's score in the evaluation process. The Nevada Commission on Economic Development may contact any or all business references for validation of information submitted.

The Nevada Commission on Economic Development reserves the right to independently check references of the contractor and all their associated employees, principals, investors, partners and all those who may have a financial interest in the contractor.

Failure to identify the aforementioned employees or associates of the contractor, where the State of Nevada or the Nevada Commission on Economic Development is aware that such associates are affiliated with the vendor, may be cause for rejection of the proposal.
