

ExporTech Program

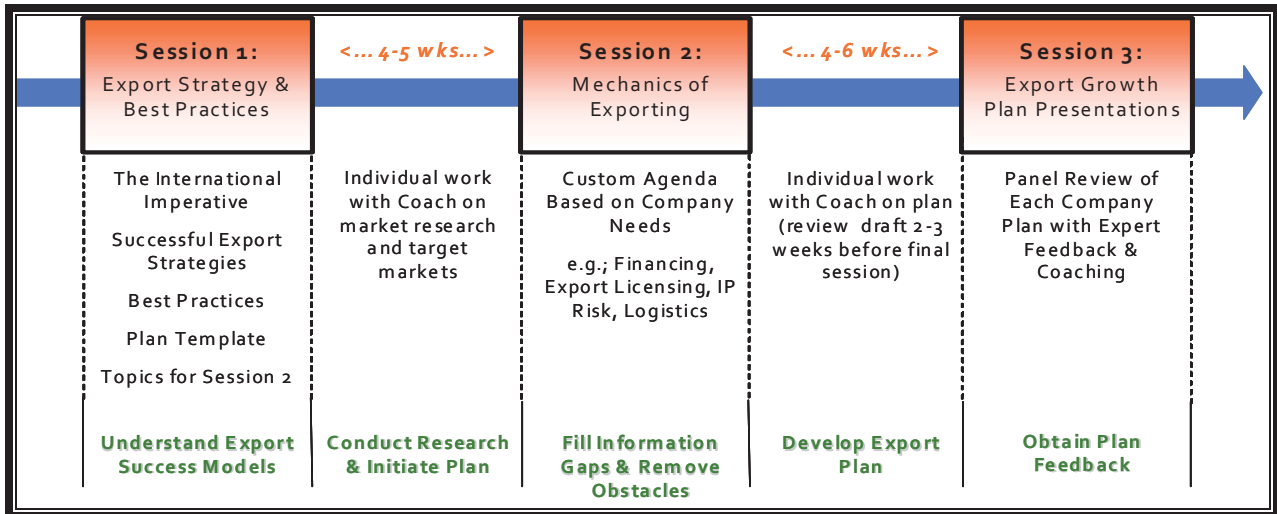

Developing Strategies for International Markets

Export sales are the fastest growing segment of the market! Get started in Three Months with ExporTech

ExporTech

- Helps small & mid-sized companies to enter or expand in global markets
- Assists in the development of a customized international growth plan, vetted by experts
- Leads companies through a facilitated process that prepares them for profitable growth in global markets
- Connects C-level staff with reputable resources; reduces overhead required to find qualified assistance

Unlike a static classroom environment, ExporTech is customized to the specific learning needs of participants and produces an international growth plan for each company. Participants work with international business experts to refine their international strategies, and develop a robust plan in three months for immediate implementation:

Expotech series dates:
February 4, 2010 ♦ March 4, 2010 ♦ April 8, 2010
